- VIII. Action Items:
 - I. Vote to approve a one-year site license agreement for LiveText at no cost to students for use while the University pilots a new LMS system. If passes we need a communication plan to both identify campus partners currently using LiveText to inform them of this site license change and notify faculty, programs to not have students buy individual copies, and draft language to share with TechZone.
 - II. Vote to remove purchase eportfolio from workshop, milestone & gateway language. If programs removed admission to professional studies then eportfolio should not be blocking registration for fall.
