

Graduate Safety Education Training Verification

- Per part 105 ILCS 5/27-17 all approved educator preparation programs shall contain instruction in safety education.

To complete the Graduate Safety Education requirement, go to the Graduate/advanced licensure website at <https://teachercenter.illinoisstate.edu/students/licensures/#graduate> and complete the Safety Education readings.

Then e-mail this completed form to teacheredcenter@ilstu.edu and your requirement will be updated in your licensure evaluation records.

Name		Date	
University Identification Number (UID)		ISU E-mail	
Teacher Education Major

ELIS Account User Name	
ELIS Illinois Educator Identification Number (IEIN)	

Verification - Initial In the box beside each statement confirming that you completed and understand the safety education training

Verifications	Initials
I have read and understand the importance of safety education in schools :	
As a (future) educator, I am committed to the safety of the children and youth whom I will educate. I recognize that my behavior will serve as a role model to children and youth, and I will work to help students develop safe habits in and out of the classroom.
